CASS HEALTH AT-A-GLANCE

- We are the leading regional healthcare organization in southwest Iowa, and we are growing! We are adding providers, and our service area is becoming more regional than ever before.
- We've been here for decades, and we're committed to staying here for our community.
- We employ nearly 400 individuals, making us the largest employer in Cass County.
- We are a Top 20 Critical Access Hospital, Top 100 Critical Access Hospital since 2017, Top Workplaces USA, and Top Workplaces Iowa award winner since 2015.
- State-of-the-art medical equipment, facilities, and technology combined with dedicated, professional staff make Cass Health the employer of choice for the region. We have up-to-date facilities, equipment, and technology. Cass Health uses EPIC throughout the facility.
- Our newly remodeled primary care clinic opened in January 2022.
- Cass Health is in a rural area, which means that you'll be able to develop relationships with patients and families.
- Our team includes family medicine, as well as a number of in-house specialists. Instead of referring patients to providers hours away, you can refer them to visiting specialists just a few steps down the hall.
- Our providers feel supported & understood by the administration.
- Cass Health is the only hospital with OB services in the I-80 corridor between Des Moines and Omaha, and we are the hospital of choice for expecting parents.
- As the regional health care leader, 1 out of 3 patients at Cass Health come to us from outside of the county.

ABOUT OUR COMMUNITY

- Thriving community with a state-of-the-art YMCA, two 18-hole golf courses, several parks, healthy economy, charming downtown, and caring residents.
- Convenient access to nearby metro areas and their many amenities. We are located just one hour away from both Des Moines, Iowa and Omaha, Nebraska.
- Close-knit community with a low cost of living and a great local school system.
- Very low crime community with a local police department and volunteer fire department.
- Medscape names Iowa as one of its "Best Places to Practice."
